

I am taking this opportunity to 'thank you' for the wonderful judo club you provide the children at St Stephen's.

The discipline and skills required for judo that the children learn from your club are easily transferable to the classroom environment which is wonderful and helps to re-enforce certain skills and disciplines that some children might find difficult to otherwise understand. I do know that the staff at school really appreciate your time, care rapport and attention to detail that you have developed with the children. This helps me enormously as PE Coordinator knowing that the children are in 'safe hands'.

I hope that we can continue to develop this relationship still further in years to come. May be we could generate a St Stephen's Judo team and hold an inter schools judo competition?? Just an idea that we can think about during the summer!

Thank you again for all that you do for the children at St Stephen's in our capacity as judo coach, it is truly appreciated.

Wishing you and your family a wonderful and relaxing summer.

Yours sincerely

PE Co Ordinator, St Stephen's CE VA Primary
